4th February, 2019

Dear Parents/Caregivers of Year 10 2019,

Welcome back to the 2019 College year.

The Year 10 RoSA Information Evening is on Monday 11th February, 2019 at 7.00pm in the Br Warner Hall. Please ensure you and your son are both present as we need to inform you both about the *Record of School Achievement (ROSA)* that he will receive at the completion of Years 10 and 11. These guidelines and procedures apply to Years 10 through to 12 and as a result, a similar evening is not planned, hence this evening is of the utmost importance. Students have been informed that sporting / work commitments will not be accepted as excuses for non-attendances for this information evening due to the significance of the information being presented.

All students are to attend the evening in Full College summer uniform.

The Information evening will consist of the following topics being covered:

- Assessment requirements - NESA and College;
- Illness/Misadventure procedures;
- N Warning and N determination procedures;
- Consequences of failure to successfully complete tasks and courses;
- College Policies and Procedures in assisting your son.
- College BYOD Program and ICT Initiatives
- College Learning Management System - Canvas

RoSA information and an Assessment Calendar will also be provided to ensure you are both aware of the requirements in successfully completing each course and attaining NESA Accreditation.

Please do not hesitate to contact Mr Gorton at the College via email on pgorton@stdominics.nsw.edu.au or phone on (02) 4731 1933, if you require any further clarification concerning this evening. Also, if you are unable to attend, please contact Mr Godsell by phone, email (BGodsell@stdominics.nsw.edu.au) or a note by Friday 8th February.

Yours Sincerely,

Mr P. Gorton
