NEXT GENERATION SCHOOLS

What is the new normal for education?

Greg is at the coalface of designing and establishing the new normal for preschool to post school learning. He believes we need to adopt a continuum model of education, challenging educators to use time in creative and innovative ways. He'll explain how parents, teachers and enterprise partners can transform learning so that each student understands their strengths and capabilities. Greg is an educational leader with heart. He is passionate about enabling students to discover their strengths and find their purpose in this changing world.

Our guest speaker for the evening is:

Mr Greg Miller
