ST. DOMINIC'S COLLEGE MUSIC ACADEMY

INSTRUMENTAL TUITION PROGRAM

MUSIC TUTORING

The Music Academy has a number of qualified and experienced, instrumental tutors coming into the College every week. The Academy provides private and small group tuition for those students who wish to develop their performance skills, whether they're beginners or more advanced players.

We have tutors available for;

- Guitar - Modern, Classical and Electric Bass
- Piano or Keyboard – Modern or Classical
- Drum Kit and Percussion - Modern Styles
- Voice - Modern
- Brass - Trumpet, Horn, Trombone, Euphonium, Tuba
- Woodwind - Flute, Clarinet, Saxophone

The College can lend Brass and Woodwind instruments at no cost. Some conditions will apply.

Students also have the opportunity to sit for external examinations with the Australian Music Examinations Board (AMEB) or the Australian Guild of Music and Speech (AGMS) if desired. More information about these exams can be obtained from your son's music teacher.

The tutoring occurs throughout the school day on a rotating timetable so that students are not missing out on the same subject lesson each week. Cost for 2019 lessons is between \$30 - \$35 per half-hour and is arranged with the tutor directly. The cost of small group lessons is determined when the group sizes are known. Tutors will invoice parents directly and all fees are payable directly to the tutor.

If you and your son would like to commence tutoring, please fill in the information on the back of this page and return it to me at the College. If you wish to discuss any other matters pertaining to our Music Academy, please contact me at the College on 47 311 933 or musicacademy@stdominics.nsw.edu.au
