23rd July, 2019

Dear Parents,

I hope that over the holidays your son has been actively studying and preparing for the upcoming Trial HSC Examinations. These are significant examinations as they form the final assessment mark for many subjects. At the conclusion of these examinations, there are only five and half weeks left of the term culminating with the Graduation Ceremony in the morning and the Graduation Mass and Prize Giving during the evening. To assist you and your son for these final few weeks, there will be a **Parent Information Evening on Monday 19th August at 7.00pm** to inform both parents and sons of the following:

- College expectations for the remainder of the term (letter to be distributed on night)
- Calculating your ATAR
- Supporting your sons study – Elevate Study Program
- Applying for the College Senior Reference.

This meeting is **compulsory** for parents (at least one) and their son as it will provide information and guidance to successfully complete his final year at the College.

On the reverse side of this note are the important dates for the remainder of the term. Student attendance at all College events is compulsory. I would ask that parents support the College to ensure their sons maintain a 100% attendance record during this time. Being at school will assist your son in his final weeks at the College especially in maintaining a diligent and sustained effort towards his study. I wish all students success in their Trial HSC examinations and look forward to a positive end to their secondary schooling at St Dominic's College.

Save the date

Event: Parent Information Evening
Date: Monday 19th August
Venue: Br M. Warner Hall
Time: 7.00pm

Kind Regards

Mr M. Ronchetti
College Principal
